IT'S BABY'S FIRST ADVENTURE.

Time for a walk, better wrap up warm.  
Poppers, buttons, zips.  
Scarf, hat, mittens.  
Inside out, upside down, back to front.

But it's raining, it's pouring and the  
wind is whistling through the trees...  
Then, out comes the sun.  
Quick let's enjoy it whilst we can!

Sarah Argent and Kevin Lewis return to the Unicorn with *Baby Show*, a perfectly simple imaginative show which tickles all the senses of the very young. It will be performed throughout the year (until 19 August 2017) for audiences aged six to eighteen months.

In the tranquil setting of a garden, Argent and Lewis create a mesmerising sensory world, alive with the familiar and the extraordinary. Using gentle sounds, sensations and visual surprises, *Baby Show* is a joyful gurgling delight, which will captivate, intrigue and keep curious minds rapt.

Directed by Sarah Argent, one of the country's leading specialists in theatre for the very young whose previous work at the Unicorn includes the highly acclaimed *Scrunch* and *Seesaw*. She has produced award-winning work at theatres across the UK and festivals across Europe including the renowned Imagine Festival in Edinburgh.

*Baby Show* is aimed at the youngest members of the Unicorn audience, aged 6-18 months. The running time is 40 minutes which includes 15 mins playtime.

It is a solo show which will be performed by either Kevin Lewis, Hannah Boyde or Cory Hippolyte.
